PAWTUCKET, RI – October 4, 2022 – Hasbro, Inc., a global branded entertainment company, today announced NERF brand partnerships with massive digital creator, MrBeast, AKA Jimmy Donaldson and big-time philanthropist and basketball All-Star, Luka Dončić.

The 2-year partnership with MrBeast kicks off this fall, bringing NERF together with one of YouTube's most-viewed creators of all time through another exciting social content campaign. The popular creator and NERF are also working together on a NERF blaster collab to be revealed and launched for preorder. NERF has been rapidly rising in the digital space, being the first Hasbro-owned brand to join TikTok last year that continues to pump out fun, hilarious and unique content. By collaborating with such a prolific content creator, the brand is sure to keep fans buzzing.

With Luka, the 2-year partnership with NERF includes an action-packed branded social content campaign featuring the superstar athlete that just started to roll out, followed by a LUKA x NERF PRO GELFIRE BLASTER collab item dropping in 2023. Additionally, NERF will donate a slew of branded products and blasters to Luka's charity of choice, The Luka Dončić Foundation, which focuses on children's physical and mental health and well-being through the power of play.
